

AMENDMENT BY SUPERVISOR HILDA L. SOLIS

6/30/15

I, THEREFORE, MOVE that the Board of Supervisors:

2. Direct the County's Legislative Advocates in Washington, D.C. to support legislation and administrative actions by the Obama Administration and the VA, which would expedite the development of Permanent Supportive Housing at the VA's West Los Angeles Medical Center, as well as other locations throughout the County for male veterans, in addition to specific housing for women veterans and their families; and

3. Amend the County's Federal Legislative Agenda to add a policy to support funding and proposals which would reduce homelessness among veterans in the County, such as by developing permanent supportive housing at Department of Veterans Affairs' facilities and underutilized or unutilized County-owned buildings throughout the County for male veterans, in addition to specific housing for women veterans and their families.
